Comments	<input type="text" value="As a Wroxton resident I am very concerned about the increase in the amount of traffic this application, if successful, will bring to the village. There is already a serious problem with speeding vehicles as the data from the cameras has shown almost no cars, lorries or buses keep to the speed limit. There is also the increase in noise and air pollution that it will create and will impact greatly on many villages close to the A422"/>
