Comments	<input type="text" value="I write to object to the application. I note the many letters of support from people who enjoy travelling to the event, and I recognise that it gives genuine pleasure to many. I also note that many of these letters declare that the noise from the events can't possibly be heard by surrounding villages. It is consistently loud, audible and intrusive in Horley. Occasional track days seem a reasonable compromise between people wanting to enjoy the countryside they live in and people wishing to travel to it to race their bikes. 65 days a year seems an unacceptable intrusion on those who actually live near the track."/>
