Comments	<input type="text" value="Dear Sirs/Madam I would be very wary of the traffic issue approaching from the Warwick direction coming through Horley. We already have major problems with parked cars at the Wroxton end of the village causing serious passing problems. Emergency vehicles have had problems. These moto cross vehicles will be large vans or even lorries,in some cases towing trailers. I would ask you to think of this when making a decision. The noise will also be disturbing to the village residents. 65 days is an awful lot for a village location to endure."/>
