<b>Comments</b>	<input type="text" value="There is already a moto-cross course near to the A422 Stratford road, and in Horley when they have a meeting the noise is to say the least 'intrusive'. If this planning application is to allow more meetings to be held, then I would definitely oppose it. Already we have noise from 'trail bikes' that ride up and down the allocated footpaths that surround the village (between Horley and Draycott) most weekends, and also make those paths less useful for pedestrian traffic. They have become much wider and more muddy."/>
