Comments	<input type="text" value="Eastgate Cottage Eastgate Hornton Ref 21/00517/F Dear Mr Smith We have lived in Hornton for almost 50 years, valuing the village and quiet surrounding countryside. We were aware of Wroxton Motocross track and occasional noise, but any disruption was infrequent and, like others, for many years, we adopted a live-and-let-live attitude. Then it started changing, with more noise, more often. It has been particularly noticeable in the last five or six years, ruining sitting out in the garden, with an incessant roar when the prevailing wind blows towards our village. Living in a conservation village we are not allowed the upvc double glazing to try to mitigate this! We were shocked to find out that the track has scaled up so much, becoming a lucrative business, and has been operating without any planning permission. We wonder why this has been allowed? We hope that the Council will reject this application which is completely unacceptable. We trust that you will give our comments due consideration. Yours faithfully Ken and Shirley Hartlett"/>
