Comments	<input type="text" value="I'm very concerned about this planning application. When the track was being used last summer the sound dominated even though we live at the end of the village furthest from the track. If it was only used occasionally (as apparently it was in the past) this would not really be a problem, but as the planning application is for up to 60+ days per year it seems unreasonable and inconsiderate to inflict such a noise nuisance on the people who live nearby, particularly at the weekends when people are more likely to want to enjoy the peace and quiet of their gardens."/>
