

PLANNING APPLICATION REFERENCE 21/00517/F:

“CREATION OF A MOTOCROSS TRACK AND SOFT LANDSCAPING SCHEME AND THE CHANGE OF USE OF AGRICULTURAL LAND TO HOLD MOTO-CROSS EVENTS INCLUDING SET-UP, TAKE DOWN AND PRIVATE PRACTICE SESSIONS, WITH ASSOCIATED CAMPING SITE, FOR UP TO 65 DAYS PER YEAR AND AGRICULTURAL GRAZING (RETROSPECTIVE)”

I write to object in the strongest terms to this planning application.

The Operators of the track seem to act without any regard to the local residents or the law. In particular the enlargement of the site, both the track and motorhome facilities is totally inappropriate for the location. It is not the site for a national or international venue.

Specifically my objections are:

- This site has grown without any planning control
- The noise generated is totally unacceptable to this location
- The roads accessing the site from the A422 are narrow and of poor quality with tight bends. The additional traffic being hundreds of large vehicles is causing more road damage.
- The site did not use to be visible but can now be seen on 3 different roads and is alongside a footpath.
- The impact on wildlife and the watercourse is very concerning
- The site has now become a substantial commercial venture, not a site for small local use under Permitted Development Rights.
- The number of riders and supports has grown exponentially

I am fully in support of the action being taken by Hornton Parish Council in objecting strongly and their use of professional legal and planning experts.

Yours sincerely
