

PLANNING APPLICATION REFERENCE 21/00517/F:

“CREATION OF A MOTOCROSS TRACK AND SOFT LANDSCAPING SCHEME AND THE CHANGE OF USE OF AGRICULTURAL LAND TO HOLD MOTO-CROSS EVENTS INCLUDING SET-UP, TAKE DOWN AND PRIVATE PRACTICE SESSIONS, WITH ASSOCIATED CAMPING SITE, FOR UP TO 65 DAYS PER YEAR AND AGRICULTURAL GRAZING (RETROSPECTIVE)”

I am objecting to this planning application.

Specifically my objections are:

- The site has now become a substantial commercial venture, not a site for small local use under Permitted Development Rights.
- The number of riders and other people attending has grown evastly
- This site has grown without any planning control
- The noise generated is totally terrible
- The roads accessing the site are narrow and of poor quality with tight bends. The additional traffic being hundreds of large vehicles is causing more road damage.
- The site did not use to be visible but can now be seen on 3 different roads and is alongside a footpath.
- The impact on wildlife and the watercourse is very concerning

I am fully in support of the action being taken by Hornton Parish Council in objecting strongly and their use of professional legal and planning experts.

Yours sincerely
