<b>Comments</b>	<input type="text" value="I would like to submit my strong objection to the escalation in motor cross events over the last few years on the edge of Hornton village. I have been a resident of Hornton since 2005. When I first moved here there were occasional meeting throughout the summer, usually one week on/ one week off. However, in recent years the meetings have increased in frequency and in size. My main concerns are to do with this escalation but also concerning the increase in noise, traffic and audience numbers. It has felt this year certainly like the motor cross is constantly on at weekends and the relentless scramble and tannoy noise is getting us down and ruining the peace that we left the city for. If we were confident and reassured that there were boundaries to the amount of weekends that this would be happening for, then it would be a lot easier to tolerate. This is no longer the voluntary local club that began when I first moved here. It's become a major event location for motor cross and only shows signs of growing. The traffic at the top of the quiet country lane has caused it to deteriorate considerably and it's in great need of repair. I am concerned at the organisers lack of respect and consideration for the licensing rules and the concerns of near by residents and I would really appreciate your support in looking into these issues. Yours Sincerely Neil Madden"/>
