| Comments | <input type="text" value="This enterprise has clearly tried to subvert the planning rules and needs to be scaled back to previous levels of activity. The scale, duration and frequency of the race meetings are completely incompatible with an area of natural beauty and tranquility and the location is far too close to Hornton village. This type of activity is more suited to a brown field site in an urban setting. These race meetings bring little benefit to the local community, just litter, speeding and a mini crime wave. Perhaps the local constabulary should be consulted?"/> |
