<b>Comments</b>	<input type="text" value="We wish to register our strongest objection to planning application 21/00517/F The noise levels and frequency of these events has become totally unacceptable over the past 5 or so years, on some occasions the noise is so intolerable we have made plans to spend time away from our own home so as not to be affected by it! The levels of traffic and also the speed of the vehicles travelling to and from these events through the surrounding villages, most of which are single track roads is also totally unacceptable, at some of the race events there can be hundreds of vehicles attending. We are also hugely concerned about the detrimental impact this is having at the site and to the surrounding area."/>
