Comments	<input type="text" value="I fully object to this proposal as it will have an enormous and detrimental effect on the countryside/wildlife and also the tranquillity of village life. I have no problem with the current situation and have in fact grown up in the village with the noise of the scramblers on occasional weekends, however for this to increase as well as the size of the event I fully object to, as the noise and air pollution will drastically increase which in turn will have a negative effect on physical and mental health and well-being. Furthermore,, the road to the track is inadequate and has been damaged already by the amount of event traffic and can be dangerous as the entrance is in a bend."/>
