Dear Mr. Smith, I have been given details of the proposed upgrade to the MX track at Wroxton Heath. I am totally opposed to any further development on the grounds of noise, through traffic on the A422 and increased traffic on the side roads. When the wind is in west we can clearly hear the bikes and on some days we can also hear the noise from the Karts at Shenington as residents we should not have to endure this. I hope you will take notice of my opinion when considering the proposal. Regards John Woodward. Wroxton. [REDACTED]
