Comments	<input type="text" value="Came to visit this area last year and had a great time roaming the countryside. Really convenient being so close to the Cotswolds but with much better transport links. Absolutely shocking that they invited the owner of the track to submit a planning application when they had already broken planning rules - they should be getting a fine! The local council's made a complete mockery of itself. Completely destroyed my faith in the entire system - setting a precedent for landowners to do whatever they want and break the rules with no consequences. Shame on them!"/>
