<b>Received Date</b>	<input type="text" value="I have been a resident in Hornton since 2014 and am writing to strongly object to the expanding Motocross operation on noise and access grounds The frequency of the meetings has substantially increased since I moved to the village, especially over the last couple of years. The traffic in and around the village has increased and the impact on the surrounding environment is worrying. If events are to be held up to 65 days a year this will have a serious impact on our daily life in this beautiful, peaceful North Oxfordshire village."/>
