Comments	<input type="text" value="I am Hornton born and bred and have loved living in this quiet tranquil corner of Oxfordshire, the thought of the constant noise and tannoy announcements throughout the summer and the majority of the autumn is abhorrent . This planning application shows a total disregard for our beautiful countryside and our local wildlife ,together with increased traffic on small badly maintained country lanes. The fact that this track has been allowed to expand without a planning application or granted permission is incomprehensible. I hope the committee will listen to the enormous volume of complaints and significantly reduce the number of track days and allow the residents of this corner of North Oxfordshire the peace and quiet at weekends that we work hard for.
