Comments	<input type="text" value="I wish to object to the referred application for the following reasons :- a) The proposals will create a substantial increase of traffic along the A422 b) This traffic will create undesirable excessive pollution and noise. c) The number of events proposed, implies not just every weekend but weekdays as well. d) The application refers to the land use as being agriculture which is a more suitable use than that proposed by motor-cross. e) The existing events have already created excessive speeds and noise through the village of Wroxton which are very disturbing and with the proposals this will be totally unbearable and dangerous! I hope , therefor that common sense will prevail , and the application rejected !"/>
