Dear Mr. Smith,

Please forgive my previous unfinished e-mail. I will try again.

Once more I find myself having to complain about the continuing saga of the Moto cross circuit near Hornton village.

I refer to my letters from June 2020, to Mr. N Addis, to yourself in August 2020. Nothing has changed my feelings on the problems the Moto Cross track has created for our community. To ensure my points raised in those letters are considered again, I have, as briefly as possible, laid out the main issues again.

1. Historically planning law has been breeched.
2. The growth of activity and size of venue has expanded drastically in the last years.
3. Noise levels have consequently increased to an unacceptable height.
4. Access to and from the venue is not adequate. The roads are too narrow for convoys of large vehicles, and I personally have been forced off the road on more than one occasion.
5. The racket from the circuit can be heard regardless of wind direction, and the geographical features

of our parish ensures the races echo around our valley, there is no escape except to stay indoors. That is clearly totally unacceptable and just not right.

6. Equally disturbing is how on earth have we arrived at this point. Why oh why has Cherwell Council allowed this situation to develop? A closer eye on the flaunting of planning law should have been observed, and enforcement the order of the day.

7. Most recently I understand that the water course has been interfered with. If that is so and without permission also, then what does the future have in store for all the communities surrounding the circuit?

8. I am finally not happy about the environmental impact on all of the creatures and plant life even for some distance that surrounds the area. It's having, for too long, a detrimental affect on people, so it stands to reason that must apply to all forms of life.

I wish to make it clear I am in support of the Hornton Parish Council in the position they have adopted in this matter, and also to the Environmental Planning / Legal Advisor involved in assisting them.

My full Postal address is:- "Hamara Ghar", West End, Hornton, Banbury, Oxon. OX15 6DA.

Yours Sincerely,

E.J.Wright.
