Subject: Planning Application reference 21/00517/F Creation of a Motorcross track

Dear Mr Smith

As you walk along the public footpath by the side of the track it is appalling to realise that this dreadful scar upon the surrounding pristine landscape is there without any planning permission whatsoever.

I find it quite incredible that CDC have failed to take any enforcement action against the growth of this track from the originally permitted development rights of 28 days to the current level of use and way beyond this to the request for 65 days without any guarantee that even that figure would be kept to.

The terrible noise intrusion upon our otherwise peaceful and tranquil village is totally unacceptable and ruins every single day here when events take place.

I firmly believe that planning permission must be refused.

Yours sincerely
John Furneaux
