| <b>Comments</b>           | <input type="text" value="I fully support this application. We need to encourage our young people to get involved in all type of outdoor activities and motor cross and other off road motorcycle activities are great for both mental and physical health. Closing down or denying applications for these type places for youngsters to go just encourages them to do it illegally on footpaths and parks with all the negative reported conveniences."/> |
