Comments	<input type="text" value="We strongly object to this planning application due to the existing noise levels that we hear even in Horley when race days occur during what should otherwise be peaceful weekends. Given that they hope to nearly double the amount of days available for racing this would cause a noise nuisance to all the residents of Horley, Hornton and many surrounding villages, destroying country life and what we have found to be a great area to live. We really hope you are not giving any consideration to this planning application."/>
