Dear Mr Smith

I wish to object to the retrospective planning application for Wroxton Motocross Ref: 21/0051/F and to add my full support to the submission from Hornton Parish Council. I am very concerned about the effect the now extensive race track has had on the local environment and wildlife, as well as the increase in noise disturbance and traffic in the area. I used to visit the track with my children when it was a family friendly, accessible local track and it rubbed along with the local residents causing limited disturbance but I now feel the owners are not interested in the countryside or care about the local community.

Best wishes
