<b>Comments</b>	<input type="text" value="Please find attached my response letter, as invited, regarding the LVIA. Please, Cherwell Planning Team, regard this LVIA submission in the same light as the other submissions by this applicant who is willing to ignore the rules - on all fronts - peddle misinformation and sanction agents to stretch facts to an incredible degree in the face of vast, substantiated evidence to the contrary from multiple sources. As such, this is a repeat of the applicant's approach adopted for the LDC application last year."/>
