Comments	<input type="text" value="The bank holiday weekend at the end of May brought us beautiful weather and a degree of mixing allowed with family and friends in our gardens and homes. I makes me so very upset that if this application is approved then this may well have been our last. If you approve this then I only hope your home and community is never similarly blighted in this way. PLEASE PLEASE do not allowed this and enforce that the land be returned to the former quiet local track well hidden in the valley where it once was used with no objection."/>
