<b>Comments</b>	<input type="text" value="Dear Mr Smith I wish to register my objection to the proposed expansion of the Motocross facility on two grounds. Firstly - Lack of notification and due process. I farm the land adjacent to the track and as yet have received no notification of this application. I was only recently informed of this application by another neighbour. It appears that this lax approach is reflected in the application process. Secondly - Noise. The noise generated by the existing number of events disturbs all the surrounding villages, whilst this is sub optimal, any additional increase would be intolerable for neighbours."/>
