<b>Type of Comment</b>	<input type="text" value="Objection"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input consent.<br="" fig-leaf"="" gain="" in="" order="" to="" try="" type="text" value="I am writing to object to this fresh application for use of the site as a motor-cycle track. The applicants have patently failed to agree conditions attached to the last application and show a blatant disregard both for the planning system and the impact on the surrounding countryside and inhabitants. The former is exemplified by their advertising a meeting on the track in July when they do not have a valid implementable consent.&lt;br/&gt;&lt;br/&gt;The current application makes a token effort to appear to safeguard wildlife but the track-operators past disregard for the damage to the countryside suggests that this is a "/> This application should not be considered until BBOWT have had the opportunity to consider the matter properly."/>
