Comments	<input type="text" value="Good afternoon, As per my previous objection to this planning application, the reasons I am objecting remain the same. Wroxton already has too many vehicles passing through, many at high speeds with one commercial vehicle driving through a residents gates destroying them and hedging on their drive. The volume of traffic this would attract would be both detriment and damaging to the village, its surroundings and wildlife, all of which the residents care very much for. In addition, the high volumes of traffic would bring the most horrendous noise pollution. I strongly object to this application. Sincerley Sarah Colbert"/>
