Comments	<p>As a resident of Hornton, I'd like to share my objections to the motor-cross business property plans. I can't help but wonder why our way of life as a rural, historic and peaceful community continues to come under attack from proposed building and planning changes that are clearly in direct conflict with our little piece of Eden here in Cherwell. I trusted our government, council and town officials when they appeared to recognize the value of villages like Hornton and rural green spaces in North Oxfordshire. I thought we had safeguards and legislation to protect us. I don't understand how planning or projects that clearly violate our green, countryside protections continue to be allowed to threaten our quality of life. It seems to me, the current application is a poor attempt to put a "plaster" on a gaping wound. The proposal doesn't adequately address the ascetics issues nor would they adequately "screen" the community from a loud, messy eyesore on our beautiful landscape. Lipstick on a pig - it's still a pig. And this proposal is a threat to the land and environment we all cherish and have duty to protect. I hope you will reject this proposal as it's approval will inflict undue harm and damage to our community. Thank you for your consideration of my thoughts.</p>
