Comments	<input type="text" value="I have lived in Shenington for 25 years and until the email was sent round I had no idea that the Motocross location existed. As such it is quite hard to consider it a blight or a monstrosity as described in the complaint when it has never bothered me or my family. These people have the right to pursue this legal sport somewhere and surely it is better to use the facility that already exists than to create a new one? I sometimes hear the go kart track at Shenington airfield but the people are respectful and bring some business to the village pub and want to enjoy their sport so I certainly wouldn't object to them so why would we object to something we were unaware of."/>
