Dear Ms Magnuson,

The UK Government's guidelines on local governance are explicit.

“Town and parish councils are the first level of local government. They provide communities with a democratic voice and a structure for taking community action.”

By denying an elected representative of Horton Parish Council an opportunity to speak at tomorrow's planning committee meeting you are stifling that democratic voice. That reason alone should be sufficient to postpone any **decision until proper consideration - which must include local representation at Parish level - can be given to the issue**

I would like this email to appear on Cherwell's Planning Portal before tomorrow's meeting.

Yours

Dr Stephen Tilling
