Subject: Motorcross application at Hornton

CAUTION: This email originated from outside of the Council. Do not click links or open attachments unless you recognise the sender and know the content is safe.

I am writing to let you know my opposition to the proposed application to extend the usage of the Motorcross track at Hornton, Oxfordshire.

The proposed extension of use will damage the environment and cause noise pollution in the surrounding area.

Roads in the area are already in a very dilapidated and degraded state with large craters. They are inadequate and could not safely cope with the large increase of traffic including trailers and lorries

I believe the proposed methods of monitoring environmental damage are flimsy and inadequate.

Please oppose this extension of usage which will not benefit local people.

Yours faithfully

Anne Pelzer-Smith
