Dear Councillor Chapman,

Apologies for the delay in responding to you.

Because speakers made addresses to the committee in June 2021 when the application was heard at Planning Committee and it has been decided that there has not been any significant material changes to the application, there will be no speakers when application reference 21/00517/F is heard at this week's planning committee.

Kind regards  
Matt

I would like to speak on the Motocross item which is coming to Committee 9 March in my capacity as Ward Councillor

This request assumes that this is allowed by procedure which I am not certain of as this item has been Approved and returns to Committee as an update and to confirm the conditions

Please advise

Kind regards,

Phil Chapman
