Comments	<input type="text" value="I object to this development on two main grounds. Firstly the proposed development is entirely out of scale, proportion and tone with this row of stone and thatched cottages which include grade 2 listed properties. In this day and age it is a pleasant surprise to find such an unspoiled, lengthy sweep of thatch intact. My second objection concerns parking and traffic. As owner of a thatched property in this row, I am very mindful of the risk of fire. Prompt action and ease of access for emergency vehicles is essential, especially with terraced properties. The existing road is narrow and often fully parked by residents and GP surgery vehicles. Consequently further parking by trade vans and deliveries during construction or extra cars from a larger household at 1 Meadowcrest Cottages will cause delay and dangerously impede safe access."/>
