Comments	<input type="text" value="I strongly object to this over-development of a cottage which is in the middle of a terrace of similar small cottages in a conservation area. There is a real shortage of such cottages in Sibford, while there are plenty of 3-4 bedroomed houses. The lane outside the cottages is already full of cars, there is no room for builder's vans, nowhere for trucks to drop off supplies...and no access to the rear of the property except through the front door. The impact of this big building project would impose too much on all the neighbouring properties. A lot of windows, even in the thatched roof, will overlook many neighbours. This development is inappropriate in this delightful, old terrace."/>
