Dear Sir/Madam

## PLANNING PROPOSAL – CONSULTATION WITH CHERWELL DISTRICT COUNCIL

**Application No.:** 21/00825/CM

**Applicant's Name:** Mary Hudson

**Proposal:** Request for Scoping Opinion for the modification of the Approved Restoration Scheme through Importation of Inert Soil Material - MW.0029/21

**Location:** Alkerton Quarry, Alkerton With Shenington, Banbury, OX15 6HY

**Parish(es):** David Best Kate Brown

I refer to your consultation in respect of the above planning application.

I am able to advise you that Cherwell District Council has the following **observations** to make on this proposal:

Cherwell District Council considers the proposed scope of the Environmental Impact Assessment to largely be sufficient but would request that the potential impact of dust arising from the proposed development should also be considered within any subsequent Environmental Impact Assessment and further that appropriate consultation is carried out with the Environment Agency with regards to potential risk of aquifer contamination.

If you have any queries, you are advised to contact the Case Officer Bob Neville, on 01295 221875.

Yours faithfully

David Peckford  
Assistant Director – Planning and Development
