CDM/H&S:
 The works illustrated on this drawing have been reviewed against the Design CDM Risk Register and significant risks are noted as:

- Construction:**
- Handling heavy materials
 - Working at height
 - Working adjacent to highways
 - Working adjacent to existing structures, retaining walls and buildings
 - Trees in highways
 - Working above basement structures
 - Storage of materials in 'safe zones'
 - Vehicular impact
 - Working in a 'live' site - pedestrian activity in close proximity
- Maintenance:**
- Light bulb changing
 - Tree pruning
 - Working at height
 - Working adjacent to highways
 - Working above basement structures
- Demolition:**
