Comments	<input type="text" value="This site is completely outside the village line and sets a presidents for more houses to be built when the fields to the south of southview and Mr Boddingtons caravan park come up for sale in years to come. The developer I understand is under investigation by CDC enforcement for not building the bungalows on his other site next door as on the plans Originally applied for. Surely this should be rectified before another planning application from this developer be considered."/>
