Comments	<input type="text" value="I wish to object to this proposed development as I consider it an unacceptable intrusion into the green space around the village. Having already seen the addition of numerous houses on the Garners Field development, plus 3 new large houses adjacent School lane, I believe the village has grown more than sufficiently for the time being. Further development will adversely impact the character of the village. In addition, the increased vehicular traffic through the very narrow School Lane and Foxden Way will be problematic."/>
