Comments	<input type="text" value="Foxden Lane/Crow Lane and School Lane can't cope with extra traffic caused by the 9 new homes, especially with the entrance on Foxden Lane and the 5 other houses already being built off School Lane. I am also concerned about where this would end, houses then being built on adjacent farmland in Foxden Lane? which would then be right in front of our houses on Crow Lane, ending our view across the countryside! Also Great Bourton does not have enough facilities for all these extra people apart from 1 very small, un-cared for pub, which is not ideal in any way!"/>
