| Comments | <input type="text" value="I want to register my support for this application. I have been travelling from Newport Pagnell to Banbury for 2 years for work in the automotive industry. Having been brought up near the village I am looking to move back and have been looking for affordable housing for the last two years but I cannot afford the market housing in the villages. This development would make a 2 bed house affordable for me and would am very supportive of the proposal."/> |
