Comments	<input type="text" value="I would like to write in support of this application, this looks like a really attractive development with lots of green space and a good mix of housing. There is a serious lack of affordable housing in Oxfordshire and in Cherwell . Having grown up round here it is refreshing to see an application come forward for first time buyers. Many people struggle to get on the housing ladder and this development will not only help local young families get on the housing ladder but it will also give people an alternative to buying an affordable house in Banbury. I think these homes would be extremely popular and the location being so close to Banbury will be very attractive for young people who work in the town."/>
