Comments	<input type="text" value="I am writing in objection to the proposed development on Foxden way. My wife is disabled and the road between Great and Little Bourton is the only route we can take with a wheelchair and feel safe. The addition of houses on the route will lead to a significant increase in traffic. This restricts the only route that can be navigated by wheel chair. To deliberately make this route more dangerous is obviously undesirable. Thank you for your time. Timothy Evans"/>
