<b>Comments</b>	<input type="text" value="As a key worker for the NHS in Banbury I fully support this application. There is not enough variety in affordable housing types in rural locations. This project looks to tick all the boxes and for someone who works for the NHS in Banbury and has witnessed how hard it is to get on the housing ladder I think this proposed development is a great idea. Many key workers who work in Banbury have aspirations of living in a rural location close to town and this development will provide a great opportunity for first time buyers."/>
