<b>Comments</b>	<input type="text" value="I object to this Planning Application because having recently moved to the new development Garners Field in Great Bourton from Hertfordshire - we have been unable to access a Doctors or Dentist nearby and the main road in and out of Great Bourton is in horrific repair with all the school traffic and the bus going to Cropredy where my children go to school. 9 more houses will make this even harder not only for all those currently living in Great Bourton but anyone that purchases one of the 9 homes if it gets approved. Transport in to town is non-existent and so there will have to be multiple vehicles per house and that is even more wear and tear on a road that the Council is currently constantly having to repair because of the amount of traffic on a road that isnt designed for modern vehicles and through traffic."/>
