<b>Comments</b>	<input type="text" value="This application is to build 9 affordable houses in a position that is totally unsuitable because The very narrow village roads leading to the development are totally unsafe for the additional traffic this will create there is no public transport from the village which may result in a minimum of two cars per property the country lane between the bourton s known as foxden Way is a much used walking route for villagers from both villages with dogs and children See attached"/>
