Comments	<input type="text" value="My husband and I wish to object to this planning application on the basis of the following: 1) highway safety and traffic generation & road access - the roads surrounding this proposed application don't support existing traffic, let alone a further 9 dwellings. There aren't any pavements so walkers need to walk on narrow roads (School Lane in particular, which is the quickest route to the Southam road) 2) Proposed plan is contrary to Cherwell Local plan. 3) There is no demonstrable need for further affordable housing in The Bourtons, given that the Garners Field development delivered that, and we are only 0.75 mile away from considerably sized housing developments on the outskirts of Banbury."/>
