Good morning

As you will see from a previous email I have asked for this application to be called in. Public interest being one reason but the planning reasons behind this request are of more concern to me. Can I have a telephone chat with you please about this application.

I did try and ring but the line was so bad I could not hear most of your message.

My phone number is 01295 780479. I understand you may work part time but we will catch up sometime. I am here until 10 am this morning and then from 12.30 to 2.00 Thank you
