Good morning

App 21/00922/OUT upto 9 entry level affordable houses at Great Bourton Apologies for the late request but the Bourton PC meeting was put back a week because of the funeral of Prince Philip.

I would like to ask for this application to called in to committee for the following reasons Public interest. I understand over 50 letters of objection have been sent in and there is concern within the Parish Council. Planning reasons. The site is clearly beyond the boundaries of the village but is not, as I understand the applicant, not being classed as an exception site but a site for entry level Housing using new legislation about to be announced to do so.

This clearly will drive a coach and horses through our present policies and open up all villages to speculative applications that will lead to ordinary housing once the principles have been established.

I would like to speak either with The officer dealing with this or a policy officer to find out the rational behind this new legislation and the need for this to be discussed at committee.
