Comments	<input type="text" value="I have lived in this area since birth and getting on the housing ladder is extremely challenging, if I don't want to live bang in the centre of Banbury. It is a lifelong dream of mine to live in one of the surrounding villages but at the moment, I am priced out. The opportunity for an entry level home in one of the villages near Banbury would be amazing and I think this application should definitely be approved - and not just because I'd love to buy one of them when they are built!"/>
