PLANNING APPLICATION 21/ 00922/ OUT
9 DWELLING AT LAND WEST OF FOXDENWAY GREAT BOURTON

Dear Sir

We would wish to object to the above revised application for the same reasons as our original objection of April 14th 2021, a copy of which, for the avoidance of doubt is attached.

We would also wish to object to the revised site access arrangements including the proposed footpath which would appear to urbanise what is at present a single track country lane, and would no doubt encourage motorists to increase their speed when leaving the village to the detriment of any villagers walking on the road beyond the " safety " of the footpath

Yours sincerely

Mr & Mrs R MacAngus
